

FOOD RECALL

Royal Fields Poppy Seeds 250g, 500g and 5kg
Best Before Date: 25/6/2024

Basfoods International Pty Ltd is conducting a recall of the above products. The products have been available for sale at Coles and independent food retailers in VIC.

Problem: The recall is due to the potential presence of a chemical (thebaine) due to unsafe poppy seeds entering the food supply.

Food safety hazard: Food products containing thebaine may cause illness if consumed. Severe poisoning soon after ingestion has occurred in some people who have consumed large amounts of poppy seeds.

What to do:

Consumers should not eat these products and should return to the place of purchase for a full refund and safe disposal. Any consumers concerned about their health should seek medical advice.
