Subject: Draft report on international responses to new techniques

Hi all,

Please find attached our draft report on international responses to new molecular genetic techniques.

The purpose of this draft report is to inform our policy analysis regarding the review of the HSNO (Organisms Not Genetically Modified) Regulations 1998.

We would be grateful if you could provide feedback by the end of this Thursday (28 May), in particular regarding the specific questions we have inserted in the draft report. This will enable [REDACTED], who is the lead author, to complete the report on Friday, which is her last day at the Ministry.

[REDACTED] can you please collate any feedback from your colleagues copied in on this message.
