Hi [REDACTED]

I wonder if it would be a good idea for another FSANZ GM person to attend the ILSI/industry workshop on novel breeding techniques, in addition to yourself? It appears [REDACTED] and [REDACTED] from OGTR will also be going. Perhaps [REDACTED] who is already in Canberra, or possibly even [REDACTED] (although he will be only recently returned from JECFA)?

Regards

Dear [REDACTED]

I would appreciate if you could forward this onto [REDACTED] and [REDACTED] as I don't have their email details. I am just confirming with all our attendees, and attaching the program for our workshop on New Breeding Technologies in Canberra on 19 June which also provides the venue details. (There are a couple of minor updates on this from the previous version I sent you.)

I would appreciate if you could let me know if any of you have any special dietary requirements.

I look forward to seeing you on the day – just let me know if you have any queries.

Regards
