

# CHECKLIST

Checklist Parameters	Data Provided	Data Not Provided	Omission Justified
<b>General Requirements</b>			
Form of application	X		
Applicant details	X		
Purpose of application	X		
Justification for the application	X		
Information to support the application	X		
Assessment procedure	X		
Confidential Commercial Information	X		
Exclusive Capturable Commercial Benefit	X		
International and other national standards	X		
Statutory Declaration	X		
<b>Food Additives</b>			
Nature and technological function information	X		
Identification information	X		
Chemical and physical properties	X		
Impurity profile	X		
Manufacturing process	X		
Specifications	X		
Food labelling	X		
Analytical detection method	X		
Additional functions			
Toxicokinetics and metabolism information	X		
Toxicity information	X		
Safety assessments from international agencies	X		
List of foods likely to contain the food additive	X		
Proposed levels in foods	X		
Likely level of consumption		X	Not applicable as consumption is expected to be identical to approved uses.
Percentage of food group to contain the food additive		X	Not applicable as consumption is expected to be identical to approved uses.
Use in other countries (if applicable)		X	Not applicable
Where consumption has changed, information on likely consumption		X	Not applicable as consumption is expected to be identical to approved uses.
