Re:– **CODE MAINTENANCE IX REPORT**

The FFAANZ technical Committee has reviewed the Proposal and recommend the following change.

## **11 Permitted Flavouring Substances**

Page 40 11(a) (i) Replace the proposed date from June 2009 to January 2011

Justification: FFAANZ applied for the update to June 2009 to cover GRAS List 24. GRAS list 25 has just been published and we request this be included to make the reference totally current.
