Subject: dogs in restaurants

Categories: Blue Category

To whom it may concern - I have been a dog owner for the past 70 years and have travelled extensively overseas. It pains me to see how dogs are accepted onto transport systems and into restaurants overseas, while our poor companions here are banned from such areas. I believe this is not the case in either NSW or Victoria - so why are Queensland owners and their dogs discriminated against? I am a single lady whose closest companion is my dog. I do not like drinking coffee alone in the coffee shops, so why can't my dog accompany me?

Yours faithfully

Meg Lawrence
