Subject: Dogs in Out Dining Area's

Categories: Red Category

For Many Year there Cafe's where You Allowed To Take Dog's to Where They Cater the Customers and Dogs here on the Gold Coast.

But in Recent times the Laws Changed,

It would Nice to Be Able To Take Your Dog's after a Walk along the Beach Especially here on the Gold Coast where it is Mostly a Tourist Area if We could may increase the Dog People to Holiday on the Gold Coast with Friendly Hotels Also.

As Long as The Cafe and Hotel Owners worked in the Bylaw Guide Lines.

Thank For Taking the Time to Read My Submission.
