

**Comments from the Victorian Departments of Health & Human Services and Economic Development, Jobs, Transport & Resources**

**Due date of submission – 30 October 2015**

The Victorian Departments of Health & Human Services and Economic Development, Jobs, Transport & Resources (the departments) welcome the opportunity to provide comments on Proposal P1040 – Code revision – Consequential and Corrective Amendments II (the proposal).

It is understood that the revised Code will replace the current Code on 1 March 2016, and that this proposal seeks to amend the revised Code to correct minor typographical and transcription errors identified.

The departments are satisfied that all the matters identified and addressed are minor and these amendments do not alter any requirements in the Code.

On this basis the departments support the progression of Proposal P1040.
