

Comments from the Victorian Departments of Health & Human Services and Economic Development, Jobs, Transport & Resources

Due date of submission – 16 May 2017

The Victorian Departments of Health & Human Services and Economic Development, Jobs, Transport & Resources (the departments) welcome the opportunity to provide comments on Proposal P1045 – Code Revision (2017).

From the FSANZ assessment report it is understood that the purpose of the proposal is to make a range of minor amendments to the Foods Standards Code (the Code) including the correcting of typographical errors; improving consistency in the use of defined terms; addressing formatting issues; and updating references to reflect more recent international publications where required.

The departments have no comments on the proposal and support the progression of Proposal P1045.
